<http://www.apexlearning.com/courses>

Winchester Public Schools does not pay course fees and/or other costs associated with online courses for non-resident students.

Granting Credit for Online Courses

Specific courses available to students for credit depends on the course meeting the graduation requirements outlined in the Winchester Public Schools [Program of Studies](#) and specific course needs of the student.

Legal References

The information related to online course offerings is provided by the Winchester City School Board in compliance with the Code of Virginia [22.1-212.24](#) as amended, 2014.

“By July 1, 2011, local school boards shall post on their websites information regarding online courses and programs that are available through the school division and Virtual Virginia. Such information shall include but not be limited to the types of online courses and programs available to students through the school division, when the school division will pay course fees and other costs for nonresident students, and the granting of high school credit.”
