

Local School Wellness Policy: Triennial Assessment Tool 2024

School Division:

Winchester Public School

Wellness Policy Contact Name and Email:

Silvia Restivo restivos@wps.k12.va.us

Laurie Curry curry.laurie@wps.k12.va.us

Wellness Policy can be found at:

Policy will be posted on WPS website in June after school board approval

Triennial Assessment can be found at:

Policy will be posted on WPS website in June after school board approval

Every three years the divisions must conduct an assessment of the Local School Wellness Policy and make it available to the public. That assessment must address:

- compliance with the division Local School Wellness Policy,
- how the policy compares to the model Wellness Policy, and
- progress made in attaining the goals of the Wellness Policy.

Please visit the [Virginia Department of Education, Office of School and Community Nutrition Programs \(VDOE-SCNP\) website](#) for all tools and resources to help you complete your Triennial Assessment.

When finalized, please forward this Triennial Assessment or a link to its location to Katy Harbin, Nutrition and Wellness Specialist, at Katy.Harbin@doe.virginia.gov.

Wellness Policy Requirements

Category	Requirement	Fully in place	Partially in place	Not in place	Action Taken Toward Goals

Additional Wellness Goal	Click or tap here to enter text.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Click or tap here to enter text.

How does your policy compare to the model policy?

Thoroughly reviewed by using the VDOE-SCNP (Virginia Department of Office of School and Community Nutrition Programs) model policy template follows the requirements set forth in the final rule of the Healthy, Hunger Free Kids Act of 2010, as specified in the Code of Federal Regulations at 7CFR210.10 and 7CFR220.8.

Winchester City Public Schools' Health & Wellness policy JHCF was first adopted on June 5, 2006, to recognize the link between student health and learning and the desire to provide a comprehensive program promoting healthy eating and physical activity for all students. Subsequent amendments have been made to this policy on August 18, 2008; August 26, 2013; January 28, 2019; June 28, 2021.

Winchester City Public Schools' Health & Wellness policy includes all of the identified regulations outlined in the model policy in developing an action plan to communicate to our students, staff and families on the importance of healthy eating, increasing physical activity and promoting overall emotional wellbeing in order to thrive in their academic and future success.

Note progress made towards wellness goals:

- Students are provided an adequate amount of time to eat meals in adequate lunchroom facilities at each school.
- All students who participate in the NSLP & SBP are able to obtain food in a non-stigmatizing manner.
- All food programs are adequately publicized in ways designed to reach families eligible to participate in the programs.
- Healthier ideas for fundraisers, student incentives, instructional activities, class parties or other school events will be posted on the School Nutritional website.
- Elementary students are given physical activity during the school day through physical education classes and daily recess periods.
- Secondary students are given physical activity through a range of in-school, before-school and/or after-school programs including, but not limited to, intramurals, interscholastic athletics and physical activity clubs.
- Schools encourage parents/guardians to support their children's participation in physical activity, to be physically active role models and to include physical activity in family events.
- School staff will continue to promote healthy choices and lifelong physical activities to students and their families.
