interactive, free
lessons for your child
this summer.**

Lessons are based on your child's grade level for the 2020-2021 school year:

Entering
**1st
Grade**

Entering
**2nd
Grade**

Entering
**3rd
Grade**

Entering
**4th
Grade**

Entering
**5th
Grade**

Participate Learning wants to help students, parents, and schools during this challenging time by providing fun and interactive Spanish lessons to our partner districts' students this summer—for free!

Each lesson will be taught by one of our skilled international teachers. All teachers are experienced and qualified professionals who previously taught in the U.S. public school system as part of our U.S. Department of State sponsored program.

Through customized sessions, these educators will reinforce Spanish skills in speaking, reading, and comprehension to help prevent language loss.
