

Dual Enrollment: Calculus requirements.

Hi all!

If you intend to dual enroll a Calculus class at Handley this fall:

- 1) Check to see that you meet the requirements listed below.
- 2) **Email Ms. Tilling requesting a Calculus Waiver be submitted on your behalf to LFCC.**
- 3) Let Ms. Tilling know if you are using SAT or ACT scores as this will streamline the process. You are responsible for logging into your College Board account and printing off these scores. Ms. Tilling does not have access to this information.
- 4) You will not need a waiver for AP Stats- just be sure you meet the course requirements and print off SAT/ACT scores if you are using them.

		All Calculus classes will require that a Calculus Waiver be completed by the career coach and submitted to LFCC for course approval in addition to the requirements listed here.
AP Statistics	Transfer course	GPA of 3.0 or higher and C or better in Algebra 2 or SAT 530 or ACT 22
Calculus	Transfer course	GPA of 3.0 or higher and B or better in PreCalculus or SAT 550 or ACT 24
AP Calculus AB	Transfer course	GPA of 3.0 or higher and B or better in PreCalculus or SAT 550 or ACT 24
AP Calculus BC	Transfer course	GPA of 3.0 or higher and successful completion of AP Calculus AB
