**** Parents have the convenience of putting money on their child's meal account with a credit card. It's as easy as visiting the web site:**

www.myschoolbucks.com

Create a personalized account to receive your user ID & a password, put the money on your child's account & then log out. The money will go into the child's account the very next day. It's that simple. If there are any questions please contact the Food & Nutrition Department at (540) 667-4258, ext. 16126**
